b. Regulatory Issuances

The Regulations Control Division, Office of Information Services, has prepared and distributed Tables of Contents for all file categories dated 2 July 1984. This document includes all Headquarters Handbooks and Notices in effect on that date. All manual custodians within the Supply Division should take the necessary action to purge files and update the Headquarters issuances. [redacted]

c. Procurement Division Management Information System (PDMIS) Report:

In order to avoid the year-end crunch, Central Control and Expedite Section (CC&ES), Supply Management Branch, is receiving a weekly PDMIS report of assigned negotiators. By comparing the PDMIS run to an Inventory Control System run, CC&ES can ensure that each procurement element is receiving the action copies of requisitions.
